

## LOW CONTAINER

Item No 13055, 13075, 13090

Low containers are suitable for use in workstations where the height plays a role. They facilitate the handling of waste, sawdust, wood, splinters, etc. Built-in fork locking for safe handling. The low container has a low construction height and is thereby emptied over its axle using a strong hinge. Equipped with a spring pressure plate on the base frame for automatic emptying. Powder coated.
